WOOD FIRED KITCHEN SOURCING ONLY THE FINEST AND FRESHEST INGREDIENTS

## OUR COMMITMENT TO QUALITY

Freshness, quality, and attention to detail are our benchmarks we use when crafting our food and beer. We take pride in serving exceptional meats such as Gosar handmade sausage and chorizo from southern Colorado, Sweetgrass co-op organic beef also from southern Colorado and northern New Mexico and Zoe's uncured pepperoni and prosciutto. We use only 100% certified organic unbleached wheat flour - grown and milled at Central Milling in Utah. When possible, we use locally grown barley and rye from Colorado Malting Co in Alamosa, CO. We are confident that you will taste the the difference that these quality ingredients impart in our products. SINCERELY, EXECUTIVE CHEF IAN KANE & HEAD BREWER MAX DAVIS.
